Mr. David Gibson, Executive Officer
CRWQB - San Diego Region
2375 Northside Drive, Suite 100
San Diego, CA 92108

Dear Mr. Gibson:

Re: Water Quality Improvement Plan
Santa Margarita River Watershed
Management Area Provision B.2 Submittal
- Priority Water Quality Conditions, Order
No. R9-2013-0001 (as amended) NPDES
Permit No. CAS0109266

Please find enclosed a digital copy of Priority Water Quality Conditions (Provision B.2), a subpart of the Water Quality Improvement Plan (WQIP) for the National Pollutant Discharge Elimination System (NPDES) Municipal Separate Storm Sewer System (MS4) program. Provision B.2 of the WQIP is submitted in accordance with Board Order No. R9-2013-0001, as amended by Orders R9-2015-0001 and R9-2015-0100 (Regional MS4 Permit), adopted by the San Diego Regional Water Quality Control Board (Regional Board) on November 18, 2015. Provision B.2 is submitted on behalf of the Santa Margarita River Watershed Management Area Co-Permittees (Co-Permittees) which include: the Cities of Menifee, Murrieta, Temecula, and Wildomar, the Counties of Riverside and San Diego, and the Riverside County Flood Control and Water Conservation District (District).

As requested by Regional Board staff, the District will submit a hard copy of the above-referenced submittal as soon as possible.

The District is committed to continuing its ongoing efforts to work cooperatively with the Co-Permittees, Regional Board staff, and other stakeholders in implementing an effective municipal stormwater program and fulfilling the requirements of the Regional Permit. If you have any questions concerning this matter, please feel free to call me at 951.955.1273 or Kyle Gallup at 951.955.8602.

Very truly yours,

STUART E. MCKIBBIN
Chief of Watershed Protection Division

Enclosure:
Provision B.2, Priority Water Quality Conditions
